03.08.15 SECTION ANNOUNCEMENT

GET YOUR GAME ON!

Join us next week for our first, "Get Your Game On" Potluck! Bring your favorite dish and your game face! The kids can come too! There will be games for all ages! We'll meet just after service at the oneighty building for a bite to eat and then the games will begin! Have a favorite board or floor game? Bring it! We can't wait!

House to House is the small groups ministry of Church on the Move. It's a great opportunity to grow in your relationship with God and build friendships with other people just like you! There are married couples, men's, and women's groups.

To join a H2H group or see what H2H is all about, check out the website or email groups@churchonthemove.com!

Section communities are in full swing! You can get connected by attending section gatherings, serving with your section, joining a H2H group, or just hanging out and talking before and after services.

We are looking forward to this year as we serve, connect and grow together! We hope to see you next week!
